

The Titanium Program

A single enrollment that builds your personal credit profile and your business credit file at the same time.

Nextlevel
Credit.net

Titanium Package Includes

1

Silver Credit Enrichment Program

Structured work on your personal credit profile, tracked month by month.

2

Business Credit Builder Program

A guided path to a business credit file that lenders can actually see.

3

Three Months of Maintenance

Continued oversight after the build so progress holds and keeps compounding.

BENEFITS OF THE TITANIUM PACKAGE

Credit Reporting Benefits

PERSONAL CREDIT

**Your financing reports
as a personal tradeline.**

BUSINESS CREDIT

**While Funding IQ stays
active, it reports as a
\$2,000 business tradeline.**

Business Credit Guidance

Recommendations, an action plan, and a dedicated representative through the build.

Better Funding Preparation

Business credit scores prepare you for CDFI and SBA funding.
